

Do Not Consume - Limited Use of Tap Water Notice Rescinded

August 6, 2022

On **Saturday, August 6, 2022 as of 8:15 pm Central time** the Texas Commission on Environmental Quality required the **the City of Combes** public water system, **Tx0310021** to issue a Do Not Consume Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to not be consumed.

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water can be consumed as of **August 6 2022**

If you have questions concerning this matter, you may contact **Michael Gonzales, Public Works** at **956-778-3141, City of Combes, 21626 Hand Road, Combes Texas 78535**
